

Phil Kelly, owner of the historic Eaton Village Store was the big winner of a cord of wood donated by Dennis Riley of Firewood 4-U. The raffle was part of a fundraising event organized by Rafferty's Pub of North Conway on May 25th. Dennis' generous donation of such a valuable raffle item more than doubled the total the health center was able to raise from the event. In addition to the raffle, Rafferty's donated 10% of all meal proceeds and organized a game of Raff's Feud which added to the grand total. Dennis can be reached at 207-890-6140 or online at www.firewood4-U.com. Rafferty's is online at www.raffspub.com. The Eaton Village Store is located on Route 153 in Eaton Village.
