

L to R: Susan Wiley, (D) District 3, Tom Buco (D) District 1, Patricia McMurry, Bob Bridgham (D) District 2

Patricia McMurry, Executive Director of White Mountain Community Health Center in Conway, attended the Legislative Breakfast in February. The breakfast is an annual networking opportunity sponsored by Bi State Primary Care Association. The event is an opportunity for nonprofit health care Executive Directors to educate the legislators through presentations and networking. Through these contacts, Patricia continues to build support on a state level for the health center and draws attention to the challenges faced by community health centers in New Hampshire.
