

**The White Mountain Community Health Center 2nd Annual Yard Sale is happening July 25 from 8AM-2PM in the health center parking lot.**

Shop and save or buy table space for only \$25 to sell your crafts, things you don't need around the house or, if you're a store owner, consider a table for getting extra visibility to sell your clearance stock! We're located right on Rt. 16 so the visibility is GREAT! This year the food table will be expanded to include water, soda, goodies and more!

**Call soon! Table spaces are already selling fast!  
For more information call Suze at 447-8900 x328.  
Hope to see you there!**
