CONWAY — Registered Nurse Julie Everett Hill has been promoted to director of clinical services at White Mountain Community Health Center.

A graduate of New Hampshire Community Technical College and a Phi Theta Kappa Honor Society member, Hill brings clinical, organizational and management skills to her new position.

Executive Director Patricia McMurry said, “This position is critical to the health center. Julie brings all the right skills and education to the position. She’s thoroughly dedicated to our mission, our patients and the future of White Mountain Community Health Center. We’re honored that she accepted the position.”
